Please make your check or money order payable to Springwood Gardens. Thank you for your order and I hope you enjoy these plants as much as I have. Springwood Gardens' introductions are guaranteed in Zone 4 and higher for a year from receipt if they are grown in normal garden conditions (i.e. in the ground rather than in pots, not in standing water, watered as needed), bark or other mulch is put on the soil around the plants (on top is not necessary) and that they're not divided either at the time of receipt or during the first year. US shipments only.
