

COURAGE UNDER FIRE

TET 40313 Pod parent is Alpha and Omega. Pollen parent is [(Gathering of Nations x (sdlg x Entwined in the Vine)] x Trials of Job. 6", 27", 4-way branching, 18 buds (range of 15-24), M, Dor, fr, only minimal rebloom outside in MN, CMO. Pale cranberry with near black

eye; near black plus ivory edge; green throat with cranberry feathers plus short white midribs from the throat. Color can vary a bit with the temperature. Every once in a while flowers may spot or slick (see next to last picture) but that is not a frequent occurrence. Super hardy in MN and quickly makes a clump. Blooms for about 40 days. Too dormant to grow in the greenhouse, so will be shipped from the outside in May/June.
