

INDESCRIBABLE GIFT

TET 34814 Star Commander x [(Sons of Thunder x sdlg) x Inspired By Hope]. 7.5" (range of 7-9.5"), 32", 4-way branching (range of 3-6 way), 16 buds (range of 13-27), LM, Sev, fr, instant Re in the greenhouse but not often outside here in MN, CMO, EMO. No tangles or

spots. Dark lavender pink; cranberry etched lavender eye; cranberry plus lavender plus ivory edge; chartreuse throat that extends onto the sepals. As you can see, the color can vary and sometimes it has an ivory pattern. Because it looks different almost every day, the word “indescribable” seemed an apt part of its name, and is why I am showing so many pictures of it here. Fertile both ways but setting a pod on it can be difficult. See kids below.
